SMOOTH Talkers

An AAC User and Family Meetup

Modern technology has created so many new opportunities for people with disabilities to communicate with the world around them. However, many children and their families who use Augmentative and Alternative Communication (AAC) rarely find opportunities to interact with other children and families who also use AAC. This monthly meeting is an informal and fun opportunity to socialize with others using AAC in their daily lives to play, chat, and connect.

Saturday, October 15, 2016

Location: Mercer Island Library
4400 88th Ave SE, Mercer Island, WA 98040

Saturday, November 19, 2016

Location: Mercer Island Library
4400 88th Ave SE, Mercer Island, WA 98040

Saturday, December 17, 2016

Location: TBD

Who: Children of all ages and skill levels who use technology to communicate, and their families

When: 10:15am – 11:15am

Beginning in November Smooth Talkers is thrilled to welcome Kelly Kuehl, MA, CCC-SLP, Speech Language Pathologist from Provail! Kelly and her staff of volunteers will join us weekly to work directly with students to facilitate meaningful and substantive interactions with their peers, while allowing parents to share support, information and ideas. Welcome Kelly!

Space is limited and RSVP is required. For questions or to RSVP contact Rachel Nemhauser at Rnemhauser@arcofkingcounty.org or by phone at 206-829-7046
